Cintas Awards itelligence SAP Outsourcing Contract

Leader in Corporate Identity Uniform Products to Benefit from Proven itelligence Outsourcing Services

CINCINNATI, May 11, 2009 — itelligence today announced that it has been awarded a multi-year contract to provide SAP Outsourcing services for Cintas Corporation (Nasdaq: CTAS), a company that designs, manufactures and implements corporate identity uniform programs for customers throughout the U.S. and Canada. In addition, they provide document management, fire protection and first aid and safety programs in the same markets. Cintas chose itelligence's hosting services following a comprehensive, formal selection process.

itelligence is one of only 12 SAP Global Hosting Partners in the world. As one of SAP's largest Business Partners and with a 20-year history of success, itelligence meets all outsourcing and support needs of 450 companies and 40,000 users around the globe.

"During our evaluation process, we had the opportunity to hear firsthand from many satisfied customers about the significant capabilities and proven track record of itelligence's world-class outsourcing services," said Tom Thornley, vice president and CIO, Cintas Corporation. "Their price competitive services will provide the flexibility and scale we require to support company growth, respond to business landscape changes and help us meet our principal objective of exceeding our customers' expectations."

itelligence Outsourcing provides a distinct edge—a large team of reliable, deeply skilled SAP experts who deliver technical SAP services and support, for all SAP modules, operating systems and databases. The Outsourcing roster consists solely of dedicated SAP consultants with concentrated levels of technical and SAP experience.

"Cintas' selection of itelligence Outsourcing services speaks to our ability to deliver in the high-end hosting services market," said Steve Niesman, president and CEO of itelligence. "Our cost-effective and efficient consultants will enable Cintas to maximize their IT resources and confidently focus on what they do best."

The benefits of itelligence Outsourcing services are available regardless of customer location. itelligence helps companies keep SAP up and running around the clock with consistent support provided throughout locations in the United States, Germany, Poland, Switzerland, Malaysia and Spain. Operational since 1996, itelligence's Bielefeld, Germany location was the first Local Support Center certified by SAP.
